THE MURRAY, HONG KONG – PET POLICY

A sanctuary for all, The Murray invites guests to indulge in precious bonding moments with their furry best friends.

From pet-friendly al fresco dining experience to thoughtful in-room pet amenities, a fun-filled adventure awaits.

- Pets, except for guide dogs, are restricted from entering the Spa, gymnasium and swimming pool, and are not allowed inside restaurants and bars.
- Guests with pets are allowed in public areas when entering and exiting through the main lobby.
- Pets are allowed at the Cotton Tree Terrace, and outdoor seating of The Tai Pan and Garden Lounge.
- Pet cannot be left unattended in the room.
- Pet must be fully trained and appropriately restrained by the guest.
- Pet must be kept on a leash, or in a carrier, when inside the hotel or within the hotel premises unless it is in the guestroom.
- Guests must ensure that their pet does not bark or make noise continuously or too often.
